Dear Parents

Supporting our local community

Tomorrow lunchtime I have invited the Cockwood Women's Institute in to have lunch with the children. This will be a social event and will give the 8 ladies coming the opportunity to socialise with a number of children.

I hope that you will agree this is a worthwhile cause and if this is acceptable to you your child, who has been selected, will be given a complimentary school dinner and then will go over to Joy Taylor's house to serve coffee.

Thank you for your ongoing support.

Best wishes

Jessica Humphrey
