

French Curriculum Progression

Implementation

- Classes 1 and 2 have weekly 30 minute French lessons.
- Lessons are sequenced so that prior learning is considered and opportunities for revision of language and grammar are built in.
- Our lessons and resources help children to build on prior knowledge alongside the introduction of new skills.
- The introduction and revision of key vocabulary and grammatical structures is built into each lesson.

Meeting the needs of all chn

At Cockwood Primary School we are committed to promoting equal opportunities irrespective of socioeconomic background, gender, disability and ethnicity in all areas of the curriculum. We believe all children should have access to participate in the learning of languages and to be supported in this process. To that end we teach a modern foreign language to all KS2 children. A modern foreign language forms part of the school's commitment to providing a broad and balanced education to all children. Through our modern foreign language teaching, we provide learning opportunities that enable all children to make progress. We do this by setting suitable learning challenges and responding to each child's different needs.

Resources

Cockwood Primary School draws upon a range of resources, to provide teachers at all levels of French with a weekly plan, to ensure that French is taught with accuracy and confidence.

Our resources include:

- Access to sound files to help with pronunciation.
- Detailed lesson plans to ensure progression
- Games, poems, songs and books to enable repetition of skills
- PowerPoint presentations to enable effective teaching.
- Access to writing opportunities

Other resources such as dual language books, online activities are also used to support the teaching of French.

Assessing French

• Children are assessed continually throughout the year, with the teacher giving feedback through marking and verbal feedback.

- This process is supported by the end of KS2 statements in the National Curriculum 2014.
- We use the Target Tracker assessment tool in school to make teacher assessed judgements as to where the children are which allows us to assess both progress and attainment across the key stage.
- Parents receive assessment information regarding MFL in yearly reports.

Impact

By the time our children leave Cockwood they will:

- be aware that a language has a structure, and that the structure differs from one language to another.
- have developed their language and communication through development of the four key skills of speaking, listening, reading and writing.
- have enriched their language learning by developing an understanding of French culture.
- transfer to KS3 effectively and successfully and will be well prepared to continue and develop their language skills.
